Dear Editor,

Please find attached the manuscript “PAPER TITLE” by Author A and Author B for consideration as a Research Article in XX.

Our work builds on the considerable interest of the scientific community in XXX [cite]. This is more impressive especially since the XX were recently experimentally demonstrated [cite].

Hitherto, XX have increasingly been investigated [cite]. However, the “missing component” has been XXX. XXX will enable future XXX.

In this paper, we XXX.

We are convinced that this work will have implications for XXX. As such, the research should appeal to a broad audience interested in XXX. We thus believe that the manuscript is appropriate for the readership of XX.

We remain at your disposal for any further questions.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'Andy' with a stylized flourish at the end.
